

Submitter: Susan Rhedmon

On Behalf Of:

Committee: House Committee On Behavioral Health and Health  
Care

Measure, Appointment or Topic: HB2948

I have been working as a registered nurse in Oregon for twenty years now and I currently work for PPS. I am in support of HB 2948 as nursing is a highly skilled profession that requires a lot of education. Medical decisions should only be made by those who are licensed as there is too great of potential for harm otherwise (not to mention liability).
