Committee: House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic: HB2789

I OPPOSE [HB 2789].

[HB 2789] is socialized medicine or medical treatment on the cheap-in other words, [HB 2789] is a really bad idea.

There is "No" provision in [HB 2749] to provide for malpractice insurance coverage.

There is no legal assistance to Nurses who give aid to Illegal Aliens-ICE will provide medical stabilization care during deportation.

What is the cost to the taxpayers to provide indigent medical care?
