Measure, Appointment or  
Topic: HB3020

Members of the committee,

Thank you for the opportunity to provide testimony in support of HB 3020 to end gambling on dog racing in Oregon.

As the proud owner of two greyhound dogs and past owner of three more I am compelled to speak out on behalf of and in support of these wonderful dogs. Greyhounds are a gentle and majestic breed of dogs who do not deserve the inhumane treatment inflicted by the dog racing industry. Dog racing is cruel and inhumane and Oregon has no business allowing wagering, betting or gambling to take place in our state that supports and props up this industry.

I ask you to vote Yes in support of HB 3020.

Thank you,  
Peter Threlkel
