On Behalf Of: Mr Oregon OPPOSES SB 859
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB569

I OPPOSE [SB 859] WITH EXTREME PREJUDICE!

[SB 859] is another racist and or preferential treatment statute which does not treat everyone fairly under law.

[SB 859] is dripping with 14th Amendment to the Constitution of the U.S.A. issues.

Specifically empowering Non-profit and Community Based Organizations to carry out the discriminatory "Certification Office for Business Inclusion and Diversity" is actionable and should be summarily abandoned.

Mr. Oregon Concurrs and says, "What a disgrace to taxpayers having to Fund this crap."
