Measure, Appointment or Topic: HB2811

Please support HB 2811 to continue 50% funding for the Dolly Parton Imagination Library through libraries throughout Oregon. This program provides tremendous benefits for children in our communities. It encourages children to develop a love of reading and learning, increases their foundation and chances for academic success, and improves high school graduation rates. It provides an alternative to computer gaming and social media, and provides resources for learning perspectives on functioning effectively in our communities and positive ways of coping with challenges and opportunities.
