Measure, Appointment or Topic: HB3020

Many racing dogs suffer injuries while racing; according to state records, a racing greyhound dies every three days on a Florida track. These social creatures are also forced to spend most of their time alone, confined to cages for 20-23 hours a day and denied the opportunity to walk or play.

We all have to do our part. Anyone who claims they love dogs, needs to step up. This needs to end.

Thank you
