HB 3020 - Greyhound Wagering

HB 3020 is submitted by the Oregon Racing Commission.

The Bill has been approved by the Governor's office.

HB 3020 closes all loopholes making wagering on ground or online illegal on greyhound racing events.

How will this impact ORC?

- ▶ Off Track Betting Locations
- ▶ \$25,495 per year
- ▶ \$50,991.12 per biennium
- ▶ Online wagering
- ▶ \$93,928.17 per year
- ▶ \$187,856.34 per biennial
- ▶ Minus general funds of \$46,964 if HB 3023 does not pass.
- ▶ Total: \$238,847.46

Other considerations

- ▶ If HB 3032 passes, language needs to be fixed as this bill has the 25% still going to the general fund.
