Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB813

I Monique Bochsler of Scio Oregon opposes SB813.

Forcing another person to be tested against their will without any evidence that a disease has affected, judging them guilty without any evidence. Adding youth authorities is a recipe for abuse because kids are sick all the time and testing isn't accurate.

As PCP of precinct 56 and a Oregonian, I strongly oppose SB813
