

Submitter: Caren M  
On Behalf Of: Brian Grant Foundation  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB718

I support the establishment of a Parkinson's registry in Oregon. As a person with PD and the sister of a person with PD I would like to have more knowledge about the prevalence and causes of this disease. Neither my brother nor I tested positive for 7 genes that have been identified as related to PD. We both lived healthy lifestyles . Environment must be involved. Finding out how is critical.

Thank you,  
Caren Masem
