

Submitter: Michael Brainard

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB223

I am always leery when memorializing people. Inevitably people will fail, make mistakes, etc.

In recent history we have seen groups vandalize target just because they disagreed on something the person did.

We shouldn't be making our schools targets for vandalism.

I urge a no vote on SB 223
