Resources, and Water
Measure, Appointment or Topic: HB2813

I OPPOSE [HB 2813].

Landowners should consult with an Attorney specializing in Water Rights before signing up.

Landowners might see a diminution of value to their real estate due to the voluntary and permanent surrender of water rights.

Will there be a building moratorium on all residential housing projects?

Are individual water wells permitted or does is the Landowner compelled to use Municipal Water?
