On Behalf Of: Concerned citizens
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3119

It's obvious to me that the proponents of this bill have not thought it through. I am visiting with 17 other concerned, citizens in Wallowa County. try to pull anything of any significance with an electric Prius. This bill is ridiculous and needs to be stopped now! Much of the citizenry of Wallowa County depends upon diesel pickups. Stop the bill now!
