Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB3020

I have been against the cruel dog racing industry for years. I attended the dog races when I was young, having no idea what I was actually supporting. Being a proud Oregonian, I greatly appreciate that Oregon banned dog racing years ago. I had no idea that this still allowed Oregonians to bet on these races all over the world. That is absolutely wrong, and I, along with my family and friends, support this bill. Thank you.
