Please help support HB 3054. I, like thousand of other white coller workers or single parents who purchased a mobile home years ago, or several years ago, with affordable space rent in preparation for retirement can no longer afford to continue to live in their HOMES. Most residents living in senior MHP are on fixed income, some as low as \$1200 a month, who can no longer afford to stay in THEIR home. Where are they to go. Appartments, Houses, and Studios for rent now days start at \$1400 to \$3000 month. Why should I have to pay that to live in my OWN HOME, that I must maintain. The postage stamp peace of land MY HOME is on will soon be no longer affordable for me. Space rent should NOT be increased more than our yearly SS increase. My next step will be the street. I am a 74 year old single woman STILL WORKING a part time job trying to maintain a comfortable yet frugal life stile which cannot be done if HB3054 does not pass. So please support, support, support this bill. ITS NOT RIGHT THAT OWNERS OF A HOME SHOULD HAVE TO PAY THE SAME AS SOMEONE WHO IS RENTING A HOME. Does not make sense to me. For the sake of the people, the seniors, and this country PLEASE SUPPORT HB3054! DO THE RIGHT THING!
