Corrected

Thank you for reading my testimony on SB 812 for 2025. My name is Tyler Houck. I work with a non-profit organization that each year donates six LOP tags from property they own to raffles run by local charities, conservation organizations and other non-profits.

The current LOP tag system has made this possible. The elimination of it would mean the end to this program that over the past 22 years has helped support organizations in our rural community. Several organizations that have received tags in the past include:

Oregon Hunters Association  
Wallowa Land Trust  
Wallowa Resources  
Community Connections  
Wallowa Homelands Project  
Oregon Backcountry Hunters and Anglers  
Building Healthy Families  
Wallowa County Search and Rescue  
Safe Harbors  
Teddy Roosevelt Conservation Partnership  
Divide Camp  
Wallowa Valley Little League  
Enterprise Education Foundation

With this program in mind and the benefits it brings to the community, I urge you to make the current LOP tag system permanent and thereby allowing this charitable work to continue.
