

Submitter: Tasha Webb

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3119

As an Oregon resident I hope our legislators will support this bill in pausing electric vehicle mandates in Oregon. Supporting this bill ensures Oregon residents that our legislative representatives are willingly to take seriously the consequences of such a major change, and give the time necessary to put infrastructure and technology in place prior to such drastic laws being imposed.

Please support this bill.
