

Submitter: Marilyn Stewart

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3173

As an owner of lands in the Siskiyou National Monument I see the changes in our environment yearly. We need to protecty the pollinators which feed the birds, pollinate our food and keep our lands, forests and farms producing healthly environments . Our lives totally depend on our natural environments. Literally. Please support our native plant education .
