

Submitter: Kendra Lwebuga

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB934

I support this bill because my children recently transferred from a school where they were "TAG identified" to a school that did not accept the previous school's assessment. I could not nominate my children myself; instead I had to ask teachers to nominate them. This took up more of my time and more of the teachers' time.
