In Person Testimony

Prepared by Tianyu Qiao

HB 2143

Chair Nosse, Vice Chairs Nelson and Javadi, and Members of the Committee.

My name is Tianyu Qiao. I am a student of community acupuncture.

Addiction and the opioid crisis have caused much heartbreaking pain and many overdose deaths directly impacting me and people around me.

The fight to battle these crises requires complex and layered efforts, and the more safe and inexpensive treatments that can be brought to the table to help, the better. The 5 Needle Protocol is one such approach.

With sincerity, I encourage you to please vote in favor of HB 2143.

Thank you.
