One should be able to have total discretion on doing what they would like to do with there winning lottery. Purchased with the money they worked for, Whether it be selling there ticket and getting there cash now,, Mailing there ticket and waiting 2 to 3 weeks or longer to receive there winnings and Or driving there winning ticket the four hundred mile round trip from the rogue valley and usually having to take a day off of work to do this . This is not right. That is why I oppose hb 3115
