

Submitter: Barbara Gleason

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB644

This testimony is from our Eugene family of 5,

This measure is reprehensible, and those who submitted it should be ashamed of themselves.

At a time when our state government is relying more and more on NGOs to carry out functions that ought to be the responsibility of government, this measure calls on you to burden them with more red tape.

As an e-mail that we saw sent by Representative Shelly Boshart Davis makes crystal clear, the main goal of this bill is to implement MAGA policies here in Oregon, at the expense of our most vulnerable citizens.

It's just disgraceful. Please vote against it.
