

Submitter: Ramona Gerig
On Behalf Of: SB644
Committee: Senate Committee On Human Services
Measure, Appointment or Topic: SB644

I agree with what a friend of mine wrote and he worded it so well:

"This measure is reprehensible, and those who submitted it should be ashamed of themselves.

At a time when our state government is relying more and more on NGOs to carry out functions that ought to be the responsibility of government, this measure calls on you to burden them with more red tape. "

I personally feel people who support Trump ought to stop this nonsense ... Stop acting like you aren't only after yourselves.

Previously I had said I agree and meant I disagree. I had it backwards.
