On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or Topic: HB2978

Co-Chair Helm and Owens, Vice-Chair McDonald, and Members of the Committee:

I strongly support HB 2978.

It is concerning to see Central Oregon's wildlife dead on the side of the road almost DAILY. It is time to make changes so that we can protect wildlife in the future.

Wildlife crossings are highly effective and Oregon needs more crossing structures. HB 2978 and an option for permanent state-level funding to support wildlife crossing initiatives will:

Improve the safety of Oregon's roadways

Remove barriers to wildlife

Make Oregon more competitive in capturing federal funding

Please build on the important progress at the state legislature over the past five years by passing HB 2978.

Sincerely,
Coty Weston
