

Submitter: Robert Moore

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB747

As a farmer who runs a 300 acre 4th generation family farm in Hood River , I strongly oppose this bill. It is another unnecessary regulation that will cost my farm. Farmers are already drowning in regulations that Oregon has implemented. Fertilizer is very expensive, it would be throwing money away to use more than is needed. Please vote no on this bill.
