If this bill doesn't pass .The very next rent increase will cause me to be evicted. I own my mobile home, I maintain my space as management company doesn't. I am on Social security disability, 59 yrs old and only bring in \$1230 a month. My rent bill is \$656 plus you have to have insurance which is about \$65. Not to mention electric bills etc

I cannot afford another \$55-60 rent increase.

I already live without cable, Internet, sold my vehicle due to costs . What else can I get rid of?

I don't want to be homeless or have the management take my house.
