

Submitter: Laura Bertram

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB934

I'm writing in support of SB 934 because many potential TAG students are not identified because families don't know how to request a TAG evaluation, and low-income or bilingual TAG students are often under-identified. Universal and open referrals lead to more equitable TAG programs, more accurate data about student demographics, and a clearer picture of TAG students overall.
