Measure, Appointment or Topic: SB538

Hello Lawmakers, I am hoping you will support SB 538 (also known as Tensy's Law) this session. The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Without adequate in-home support, families face the heartbreaking decision of placing their child in an institution or struggling without care. Many parents are left with no choice but to quit their jobs, take unpaid leave, or forgo sleep to meet their child's needs. Tensy's Law provides an immediate, no-cost workforce solution by allowing parents-who are already trained, qualified, and committed-to provide this essential care. With regards,
Celia Oney
