Measure, Appointment or Topic: SB538

Hello Lawmakers, Please vote yes on Senate Bill 538, also known as Tensy's Law. The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Oregon has a legal and moral obligation to ensure that children with disabilities receive the care they are entitled to. The state already assesses the number of care hours a child needs, yet it consistently fails to meet these obligations due to workforce shortages. Tensy's Law would give families financial stability while reducing reliance on social safety nets.
