Dear Lawmakers, I am asking for your support of TENSY'S LAW (SB 538). The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Caring for a child with complex medical needs is a full-time job, yet many families are forced to live in poverty because the state refuses to compensate them for this labor. A staggering 75% of these families rely on public assistance, even though two-thirds say they could leave at least one assistance program if they were enrolled into CEN. Tensy's Law prioritizes what truly matters: the well-being of Oregon's most vulnerable children. Thank you for your consideration. Liz Lamb
