ATTN: Legislators Please vote yes on Senate Bill 538, also known as Tensy's Law. The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Caring for a child with complex medical needs is a full-time job, yet many families are forced to live in poverty because the state refuses to compensate them for this labor. A staggering 75% of these families rely on public assistance, even though two-thirds say they could leave at least one assistance program if they were enrolled into CEN. Tensy's Law provides an immediate, no-cost workforce solution by allowing parents-who are already trained, qualified, and committed-to provide this essential care. Yours, Erin Lewis
