To Whom it May Concern, I am asking for your support of TENSY'S LAW (SB 538). The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Oregon's homecare workforce shortage is well-documented. Over 90% of families report they cannot find enough caregivers to fill their authorized hours. This shortage is even more severe in rural areas, where specialized caregivers are virtually nonexistent. Tensy's Law offers a fiscally responsible approach that prioritizes both budget efficiency and better health outcomes. Sincerely, Amy McMahan
