HB 3387

PCP ELECTION WORKER BILL

Please Pass HB 3387

- House Bill 3387 allows for counties to use Precinct Committee Persons (PCPs) to work on elections if hired by a county clerk's office to do so.
- County Clerks Offices staff up during elections, they are required by law to hire workers from both major political parties.
- This bill would allow for PCPs to work as staff in elections offices but would still maintain flexibility for counties to decide whether or not to hire PCPs.
- By definition in state law, a PCP is not considered a public officer (ORS 248.015 (7)).
- County security measures and multiparty election boards provide checks and balances needed to provide fair and accurate elections.
- Please consider passing HB 3387 to help provide County Clerks the flexibility to hire PCPs as needed.
