Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2557

I OPPOSE THE LEGISLATURE GOVERNING FROM EMOTIONS.

Our coastal restaurants have a good seafood reputation. So requiring them to import octopus is nonsense. The coastal counties could become an octopus exporter, which would help their economy. That isn't a choice for the legislature to governor a suppression of economic growth when there is no safety issue involved.
