Measure, Appointment or Topic: SB538

To Whom it May Concern, Please lend your SUPPORT to Senate Bill 538, or "Tensy's Law." The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Institutional care is not only more expensive but also less effective than home-based care. Oregon spends over \$100,000 per month on state-run residential placements, while paying a parent caregiver a fraction of that cost would allow children to remain in their homes with consistent, high-quality care. Tensy's Law is a simple solution: allow parents to be paid caregivers, ensuring that children receive the care they are entitled to while keeping them in the homes they know and love. Sincerely, Tara
