Dear Lawmakers, Please lend your SUPPORT to Senate Bill 538, or "Tensy's Law." The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Caring for a child with complex medical needs is a full-time job, yet many families are forced to live in poverty because the state refuses to compensate them for this labor. A staggering 75% of these families rely on public assistance, even though two-thirds say they could leave at least one assistance program if they were enrolled into CEN. Tensy's Law is a simple solution: allow parents to be paid caregivers, ensuring that children receive the care they are entitled to while keeping them in the homes they know and love.
Yours, Nandita
