Re: HB 3173 (Oregon Flora) - SUPPORT

Dear Committee members:

I am a Natural Resource Specialist for an environmental consulting firm, and I strongly support HB 3173.

OregonFlora helps me do my job with a higher level of scientific rigor, and helps my organization meet its mission. OregonFlora makes me an informed Oregonian, naturalist and environmental scientist proud to live and learn in a state that values its natural resources.

I urge your support of House Bill 3173 to ensure the resources of OregonFlora can continue to be maintained and developed for users statewide.

Sincerely,
