

Submitter: Nicole LaChapell

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3170

As a gardener who lives by the seasons, it's easy for me to see the effects of climate change. It is only a matter of time before our community will be effected once more by wildfires, floods, etc. The funds provided by HB 3170 would help increase our resilience.
