

Submitter: Susan Palmiter

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or Topic: HB3170

Climate disasters are sure to come. We need to be ready and resilient. During the fires in southern Oregon I helped with Mutual Aid to sort and load trucks to get needed supplies to those who were affected by the fires. Stable pre-funding needs to be in place for times of need instead of piecing together response. Please support HB3170!
