Hello Lawmakers, I am hoping you will support SB 538 (also known as Tensy's Law) this session. The bill would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Without adequate in-home support, families face the heartbreaking decision of placing their child in an institution or struggling without care. Many parents are left with no choice but to quit their jobs, take unpaid leave, or forgo sleep to meet their child's needs. Tensy's Law is a simple solution: allow parents to be paid caregivers, ensuring that children receive the care they are entitled to while keeping them in the homes they know and love. Thank you for your consideration. Caitlin Nelson
