

Submitter: Rose Kaler

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB851

I oppose this bill. This is not fiscally responsible. Please work harder to use our tax dollars in more reasonable manner. I worked part time jobs and not one of those offered any retirement. many full time jobs don't offer retirement. Our State already has a problem with paying the PERS, how about working to fix that problem.
