Committee: Senate Committee On Human Services
Measure, Appointment or Topic: SB644

I am a Jewish American Oregonian who has been offended by the appalling anti-semitic actions of the Oregon Food Bank as of late. The Oregon Food Bank should be a non-political institution that only focuses on the hunger needs of American citizens in our local Oregon communities, and not focused on political matters on the national and especially international levels. There should also be no biases and racist behaviors being displayed by anybody employed or volunteering with this agency. The Oregon government needs to be tracking and auditing this agency to making sure it's sticking to it's mission and goal statements and their job description. Please vote YES on SB 644. Thank you.
