I work to feed the hungry in Tigard, we see many people every Sunday to receive a free meal.

Many are homeless or are down on their luck.

We receive food from the Oregon Food Bank.

This bill is reprehensible! I guess the people who submitted it have never worked to help people in their life!

And by the way the financials and audits are public so this is all a waste of time and money!

Please do a better job!

Please vote against it!
