

Submitter: Moniqje Bochsler

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB894

Dear legislators, As a resident of Oregon and a PCP representing Linn County, I express my support for SB 894. This bill mandates the Oregon Department of Education to establish criteria for students to receive credit for participation in student activities. It also requires the Department of Education, in partnership with the STEM Investment Council, to perform designated evaluations aimed at formulating and proposing standards that would allow technology-driven competitive student activities to fulfill high school diploma or career and technical education program requirements.

Thanks Monique bochsler
