

Submitter: Joshua Jacobs

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or Topic: HB3170

I am writing today in support of bill HB 3170. This funding is absolutely needed for our community. Climate change only continues to worsen the impacts of severe weather upon the most desperate members of our community. I urge the committee to pass this bill and continue funding the resilience hubs and networks, to help ensure that people in need are not forgotten.
