

Submitter: John Jonesburg III
On Behalf Of: Diamond Lake Resort
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB512

The Umpqua River Steelhead Fishery is a vital component to the states economy. The Umpqua is known around the world for it's Steelhead fishery. Our Oregon fishing opportunities bring sportsmen and women from all over the country. Reducing the opportunities in our state will discourage some of those tourists from spending their time in Oregon. Also the education opportunities for the children of Douglas County is priceless. We need more outdoor education opportunities in this state for our future sportsmen and leaders.
