

Submitter: Carrie Cooke

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2978

Members of the Committee:

I strongly support HB 2978, and would like to thank it's sponsors, and this committee for bringing this important bill for a hearing. It's been frustrating watching other states advance with crossings, while Oregon has not given it the priority it needs. This saves the lives of humans and wildlife and is vital for habitat connectivity. Oregon has been seeing explosive growth and traffic and it is negatively impacting wildlife. Please advance this important bill.

Thanks for your time,

Carrie Cooke
