

Submitter: Cathy Kerr

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3173

Oregon Flora will help Oregon in dealing with the coming changes to our environment. It is an invaluable resource to me and my garden club when researching native plants to incorporate in our gardens which help reduce water use, support native wildlife and increase biodiversity. Thank you for supporting HB3173.
