Dear Representative Sanchez and Senator Lee Frederick, I am asking for your support of TENSY'S LAW (SB 538). Although parents of disabled adults can be paid caregivers, this option isn't available for children, leaving many young families with impossible choices. Tensy's Law would increase access to Oregon's Children's Extraordinary Needs (CEN) waiver; allow parents of minors to be personal support workers; and ensure this compensation comes from already-obligated funding. Without adequate in-home support, families face the heartbreaking decision of placing their child in an institution or struggling without care. Many parents are left with no choice but to quit their jobs, take unpaid leave, or forgo sleep to meet their child's needs. Tensy's Law offers a fiscally responsible approach that prioritizes both budget efficiency and better health outcomes. Your sister Oregonian, Phoebe Phoebe MacRae
