

Submitter: Pamela Smith

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2557

In light of the current findings regarding the sentience of these amazing creatures, I had already made the decision to not eat them. (I am not a vegetarian). The proposed farms would be unconscionable and cruel and a total disregard for the scientific understanding we have about these animals. That coupled with the acknowledged environmental ramifications make such farms unacceptable.
