

Submitter: Steven Kray

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3173

Oregon's economy depends upon its botanical resources. Healthy forests, productive rangelands, agricultural operations, outdoor recreation sites, and native plant horticultural businesses all need reliable data which OregonFlora provides.

This will leverage 30 years of research, volunteer effort, and citizen science contributions to develop the OregonFlora resources. Sustainable support will help ensure it is maintained.

I urge you to approve this.
